Exactly the lighting experience you intended

StagePainter D60 1000 - Takes LED to a new level of performance

Exactly the lighting experience you intended, time after time after time. The lighting experiences you create have the power to captivate audiences and turn a performance into something magical. To bring out the best in your talents, you need fixtures that maximise your scene-setting capabilities and recreate them perfectly. Now you can do just that with StagePainter D60 1000 - a system that's so flexible and controllable, it can paint exactly the scene you imagined with brilliant LED light.

StagePainter puts creative freedom and lighting control at your fingertips with integrated colour mixing and an easy to use interface. Bring your ideas to life in an endless palette of fast, tunable, white or coloured light. Play with colour, intensity, hue and saturation to light breathtaking moods and dynamic effects. Then recreate them flawlessly, fixture after fixture, night after night.

PHILIPS
sense and simplicity

Features	Benefits
• Smart system (LED + Driver)	• Easy to design-in and easy and intuitive interface
• Internal colour feedback mechanism	• High colour consistency, between modules as well as over time
• Integrated colour mixing	• Perfect colour homogeneity
• High colour purity	• Nice saturated colours can be displayed
• Dimming to 0 without visible steps	• Smooth dimming
• Adjustable Tc: 2700-6500K	• Allows perfect control of colour temperature and light output level, ideal for TV studio

Type	Light Output	Dimming	Colour Temperature	Colour Rendering index	RGB gamut	Colour consistency initial / at 10 k hrs (SDCM)	Lumen maintenance	Power	Efficacy LED module + driver (lm/W)	Input Voltage	Input Frequency	Control Interface	TC max	Burning position
	(lm)	(%)	(K)				(W)	(W)		(V)	(Hz)		(°C)	
Philips StagePainter D60 1000	1000	100-0.03	2700-6500	>80	R: x= 0.670 y= 0.320 G: x= 0.210 y= 0.670 B: x= 0.150 y= 0.080	5/6	70% @ 35,000hrs (100% expected at > 10,000hrs)	20-40*	50-25*	120-277	50-60	DMX/RDM	65	Universal

* Initial power consumption is 20-25W, and efficiency 40-50 lm/W; over lifetime LED efficiency diminishes and power consumption is increased to maintain lumen output.

Design-in overview

Company	Model name	Philips lamp system
ADB	ALC-4	StagePainter D60 1000
De Sisti	DE LED	StagePainter D60 1000
	SET LIGHT DE LED	StagePainter D60 1000
Elation Professional	Color Tone 50	StagePainter D60 1000

For a LED light experience like no other, it has to be StagePainter from Philips.
